

## **Process for Registration, Judging and Award Presentation**

As stated in the Texas Championship Show Rules, carvings will be judged according to expertise level and category. Junior Youth are carvers 12 years or younger. Senior Youth are between ages 13 and 17. One who is over 17 must enter into the adult expertise level. There are three adult levels, Novice, Intermediate and Open. Categories have been designated for each of the three levels. Show Rules list competition categories. They are also listed below. Categories also have a designation number to represent the competition level and category. The categories numbered in the 100 series are for Novice, 200 series are Intermediate and 300 series are for the Open Level as shown below:

There is a limit of 2 carvings per individual entrant per category.

### **Registration**

**An Entry Form is required for each carving entered into Show Competition.** Forms are available on the website and at the Cleburne Conference Center. Print and fill out Form and present with the carving when you bring your entry up to the Registration Desk. This will help speed up the process. The Registration Desk will begin taking entries at 1 PM Friday April 5, 2019 at the Cleburne Conference Center. Friday Registration will end at 5 PM. We plan to have several individuals at the Registration Table taking entries. For those who could not bring their entry in on Friday, a short period of registration will be available on Saturday April 6, 2019 from 7 AM to 9 AM.

If your name is on the carving please cover it with blue painter's tape or something else suitable before you bring it up to be registered.

Registrar will assign an identification number to the carving and enter on the form and place a sticker on the carving with the same number. The identification number (ID) assigned during Registration is unique to the entrant. The Judges will use the ID when determining and assigning awards. The form remains with the Registrar after registration

Once a carving has been registered, it will be passed to the holding area to be judged.

### **Judging**

**Judges for 2019 are Wanda Reichert and Jimmy Stewart. Bios are located on the TWG Website.**

Once Registration is closed, the Judges will undertake evaluation of Carvings by Category. Carvings will be judged on their merit and the Judge will select a 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> Place winner for each category.

Once a Competition Level (Novice, Intermediate, Open) has been completely judged, carvings will be evaluated for Merit Awards and Best of Level. When all Competition Levels have been judged a carving will be selected for Best of Show.

All carvings will remain on the display tables until the end of the show on April 7, 2019.

The Judge will determine and award the following:

- Novice – 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> Place in each category, one Merit Award, Best of Novice
- Intermediate – 1st, 2nd and 3rd Place in each category, Two Merit Awards, Best of Intermediate
- Open – 1st, 2nd and 3rd Place in each category, Three Merit Awards, Best of Open
- Best of Show Runner-up
- Best of Show
- People's Choice Award
- Best Exhibit Table
- Best Club Table
- Best Club Theme Carving

### **Photography**

As a carving Category completes evaluation, the first-place winners, Merit and Best of Show selections will be moved to the Photography Table for pictures.

Merit winners and "Best of" winners will be displayed on a special arrangement.

### **Categories**

An entrant may compete in any level more advanced than the one required. For example: An intermediate carver may compete in Open Level. However, if entrant is required to compete in Open Level, participation in the Intermediate Level or Novice Level is not permitted.

**Club Carving Competition:** A competition is now established to display the overall carving talent contained within an individual club. Imaginative and skillful carvers display their work each year in the Guild's carving competition. It can also be observed and admired when viewing the individual wood carvings displayed on show tables. A carving theme will be declared by TWG. Participation in this competition is limited. Only TWG Member Carving Clubs may enter this competition. The competition works like this... TWG selects a theme. A club interprets how to best represent the theme with carvings. Individual Club members may carve one, but no more than two carvings specifically for the competition.

For example,... say the theme is circus. The Club would decide how they want to represent this theme. Perhaps they would set up a display with clowns and a circus ring. Possibly the finished product would have several carved clowns, spectators, a circus ring with tigers, lions and a ringmaster and a circus tent in the background. Each club will interpret the theme and determine how to best represent it with an array of carvings and a display. The Club's imagination and carving skill will be represented.

Competition Judges will consider presentation and originality along with additional criteria listed in A15 above. The winning carving club would receive \$250. The winning carving will be given to the TWG. The carving will then be donated to an appropriate organization for display to inspire interest in woodcarving.

**Club must have a club table to enter this competition. The display must be no larger than 3'X2'X2'**

# The Club Carving Competition Theme for 2019 is “A Professional Sports Theme”
